NOTES:

Mr. Civile informed the Court that Mr. Smith is currently in Saipan and was unable to return to Guam yesterday because he is ill. He stated that Mr. Smith is a solo practitioner and is involved in a complicated land dispute case in Saipan. He also stated that he had told Mr. Smith that he did not propose a continuance and that he and Mr. Smith agreed to request for an extension of deadlines and the trial date. Mr. Civile stated that counsel do not have any objection to having the trial set for a time in September. Based on parties representation, the Court granted the continuance and instructed counsel to contact the Court for a new trial date and to submit an amended scheduling order thereafter.
